

WELCOME TO THE FUTURE OF FREEMASONRY!

Use this QR Code to register your account on Portal

Portal is the new membership platform for UGLE. It aims to coexist with, and eventually replace, Hermes and ADelphi, by incorporating their functionalities into a unified, user-friendly system. Portal introduces enhanced privacy controls, enabling you to manage who can view your personal data within your own profile.

To register on a desktop, use this link: <https://desktop.portal.ugle.org.uk/auth/register>

Once you are on the webpage, follow the instructions below to create your account:

- Use the email address that UGLE uses to communicate with you. This is most likely the email address on which you receive the First Rising email from UGLE.
- Wait to receive a 6-digit verification code which will be emailed to you. Make sure that you check your spam folder.
- Paste the code into the box and press "next".
- Enter the following information:
 - All forenames **including any middle names**, which should match your forenames as shown on your Grand Lodge certificate
 - Surname in full
 - Date of birth
- Press the "next" button
- If your answers do not match the records held by UGLE, you may be asked additional questions
 - You must ensure that you are using a Lodge or Chapter of which you are a member, if you do not, this will result in a hold on your registration
- You will then be invited to set a password
